POLITICAL POT BOILS AS SENATORIAL FIGHT GATHERS GREAT FORCE

Real Battle To Be Staged In
November Between Weldon
and Convention Choice

LITTLE INTEREST IS SHOWN IN APPROACHING CONVENTION

McCall Announces and Will
Make Fight Before Gather-
ing At McKenzie Soon

Interest in the approaching political battle between William E. Weldon and the nominee of the McKenzie convention, who is yet to be chosen, for the State Senate continues to increase daily, and by the time the November polls have opened the fight will have developed into one of the warmest contests ever pulled off in Henry and Carroll counties.

The first act was staged at McKenzie some weeks ago when the senatorial committee ordered a delegated convention to be held at that place on Saturday, September 9, following mass conventions at Paris and Huntingdon on September 4. Mr. Weldon, who has been an announced candidate for several months and who had contended for a primary to select the nominee, at once issued a statement, backing up a former card to the same effect, saying that he would not submit his claims to a convention but would appeal to the voters in the November election. He also announced that should he be elected he would repeal the present Henry county road law.

Just previous to the committee meeting, T. V. Burton, popular Elkhorn business man, announced his candidacy for the nomination. Since that time Mr. Burton has been seeing a good many of the voters in both counties and has met with much encouragement, it is said. He will go into the convention at McKenzie and his friends are confident that he will be nominated.

A few days ago Jo H. McCall, present Senator, announced his candidacy, subject to the convention, and it seems that the fight between him and Mr. Burton will be warm, although not very much interest is being shown in the convention. Both have many strong supporters in the two counties, however, and it seems that when the second act of the senatorial drama is staged at McKenzie one week from tomorrow that there may be some interesting times.

There seems little doubt, however, but that the Big Show, which will be pulled off at the polls in November, will draw the most interest.

LADIES IN THE PARISIAN'S CAMPAIGN GETTING BUSY

50,000 Extra Votes With Each
Set of Five New Subscribers
From Now Until Satur-
day, September 16

NOW IS YOUR OPPORTUNITY TO GET A WINNING START

10,000 Extra Votes With First
Payment of \$1.00 or More
On Either Old or New
Subscriptions

HOW THE VOTES ARE ISSUED

One year.....	\$1.00.....	2,000
Two years.....	2.00.....	6,000
Three years.....	3.00.....	12,000
Five years.....	5.00.....	25,000

This week many of the ladies who have been nominated in The Parisian's big circulation campaign took up the work in earnest, and those who are considering entering the campaign should begin work without further delay, and not let others get too far in the lead. It is not yet too late to enter. The campaign is just getting started and few of those already nominated have placed anything to their credit, however, before another week has passed there will be a big change, and the time to get busy is right now. If you have not received a receipt book and instructions come or write to the campaign manager for them and see your friends at once and take their subscription to The Parisian. You can secure one of these beautiful premiums if you go in with that determination. Now's the day, and now's the hour—get busy. With the extra votes we are offering for new subscribers and with what you will have to start with you can easily get in the lead.

For the next two weeks, beginning today, and ending Saturday night, September 16, contestants will be given an opportunity to earn thousands of extra votes free. For every set of FIVE NEW subscribers to The Parisian you will be given a coupon good for 50,000 extra votes in addition to the regular votes issued for subscriptions. As announced last week we will also give a coupon good for 10,000 extra votes to each contestant with the first payment of \$1.00 or more on either old or new subscriptions.

In this offer for NEW subscribers, a new subscriber is one who is not taking The Parisian at the time you solicit the subscription. On all old subscriptions the regular vote schedule will apply.

Just so you get five NEW subscribers, whether one year or longer periods, on each set of five you will be given the extra vote coupon good for 50,000 extra votes. The subscriptions may be of any length from one year up to five, but a five-year subscription will only count as one of a set of five.

This club offer is for new business only and is positively the biggest offer of the whole campaign, and is the only extra vote offer which will be made in which the new subscribers will count for more than the old.

There is no limit to the number of sets any one candidate may turn in. In fact, each contestant on the list should make every effort to secure just as many sets as possible, for this offer will count a great deal in the awarding of the premiums at the close of the campaign on October 21. Subscriptions turned in by friends of the contestants will count on this offer just the same as if they had

Brotherhood Men To Walk Out On Monday Morning

At a late hour Thursday afternoon President Wilson had been unable to settle the strike controversy, and unless there should be some unexpected developments or the railways grant the demands of the brotherhoodmen for an eight-hour day and time and one-half for overtime, 400,000 trainmen will go on strike Monday morning at 7 o'clock. About 150 of the trainmen who will walk out live in Paris.

CHRISTIAN CHURCH TO BEGIN NIGHT SERVICES

Union Services Discontinued
Regular Night Services Will
Be Resumed

The union services for the present season having closed last Sunday night, the First Christian Church, beginning next Sunday, will resume the regular night services. 7:30 o'clock is the hour for the opening and the services will "begin and stop on time."

The morning Sunday School and church service, combined, begins at 10 o'clock each Sunday morning.

Following is the program for the service Sunday night:

Prelude—Rachmaninoff.
Song—"The Old Book and The Old Faith"—Chorus.
Song—"Day is Dying in The West."
Prayer.
Bible Lesson.
Song—"The Call To Arms."
Announcements.
Offering—Offertory "Crescendo"—Lasson.
Special Music.
Sermon "Conscience."
Song.
Postlude "Polonaise"—Chopin.

been turned in by the contestant himself.

A careful count will be kept by the campaign manager of all new subscriptions turned in and as soon as a set of five is received from any one contestant the extra coupon good for 50,000 votes will be issued and given to the contestant.

Under this special offer it will be readily seen that it will be an easy matter for some one to begin active work and amass a large number of votes with practically little effort. It will not be a difficult matter for a contestant to secure five new subscribers to The Parisian. The extra votes for this set of five would be 50,000 in addition to the regular votes and several of these sets will give a contestant a lead that will be difficult to overcome.

There will never be a more opportune time for some energetic candidate to begin active work in the campaign than during this big special club offer, as the subscriptions turned in during the next two weeks will count a great deal more than they will any other time. Get busy now and win one of these beautiful pianos. Get busy NOW—don't wait.

REALTY MARKET GROWS ACTIVE EARLY; SIGNS POINT TO PROSPERITY

Local Real Estate Men Receive
Letters From Many Buyers
In Northern States

DEALS RECORDED HERESHOW \$6,000 WORTH PROPERTY SOLD

Early Opening Of Market Is
Indication Of Loosening
Money Matters

According to the local real estate agents and the records in the office of County Register W. L. Manning, the Henry county real estate market is becoming active this year earlier than before in many years.

The local real estate firms, Adams & Currier, H. L. Smith, and Douthit & Currier, report much Henry county property listed for sale and many letters received from prospective northern buyers. Some large deals are now on foot and it seems probable that quite a number of others will be negotiated within the near future.

The opening up of the real estate market in August is something new for Henry county, and points to general prosperity and the loosening of the money market, it is believed.

Records in the office of Register Manning show that deals to the total amount of more than \$6,000 have been made within the past ten or twelve days. Following are the transfers that have been recorded:

H. C. Paschall and wife to N. E. Paschall, 100 acres, \$1,000.
J. F. Upchurch to T. L. Blake, 6.12 acres, \$175.
J. P. Stubblefield to W. H. Hays, 55 acres, \$110.
C. Court to J. W. Rogers, 70 acres, \$176.
W. C. Johnson to E. H. Minor, lot, \$500.
R. L. Rickman, et al., to Jno. R. Diggs, lots, \$300.
Geo. E. Porter and wife to Mrs. Annie E. Anderson, 60 acres, \$1750.
Geo. E. Porter and wife to L. Z. Anderson and wife, 38 acres, \$1940.

LATTER DAY SAINTS IN TENT MEETING AT PARIS

The tent meeting in West Paris, conducted by the Latter Day Saints, is still in progress, and interest is increasing. The speaker, Eld. J. R. McClain, of Fulton, Ky., is a forceful speaker and holds his audience in rapt attention throughout the entire service, which usually lasts a full hour or more, followed by about thirty minutes answering the numerous questions that are dropped in the query box each night. On Saturday night Eld. McClain will lecture on the origin of the American Indian. The services will probably close Sunday night.

TOMATO CLUB GIRLS IN CAMP AT FAIR GROUNDS THIS WEEK; MANY THERE

Today Is Rally Day and Whole
County Is Invited To Be
In Attendance

MISS HESSIE HAZE SMITH IN CHARGE OF ENCAMPMENT

Nearly Hundred Girls Enjoy
Occasion At Fair Grounds
For Four Days

Today (Friday) will witness the closing of the canning club girls' encampment at the fair grounds with a rally, to which all Henry countians are invited.

The girls went into camp at the fair grounds Tuesday with a large number participating. The encampment has been a success in every way. The girls are having a fine time and the experimental and demonstration work in the art of canning vegetables and fruits has been interesting and instructive to them.

Miss Mabel Wheatley, Miss Myrtle Harding and Miss Martha Thomas, teachers in the demonstration work, have been on the grounds since the beginning of the encampment, giving the girls the benefit of their experience and training in this work.

Today the work of the girls will be on display and a large number of people throughout the county are expected to be in attendance. Many prominent speakers will also be heard today. Among the speakers are Dr. C. A. Keffer, director of the division of extension, University of Tennessee; H. S. Nichols, of the West Tennessee demonstration farm; Mr. Schoenfeld, market specialist and Mrs. Warner, health specialist, of the University of Tennessee.

Local merchants and business men contributed to the success of the encampment by giving money and many articles needed by the girls. The encampment has been under the direction of Miss Hattie Smith, county demonstration agent, and to her should go much of the credit for the success of the undertaking.

Announce Program For Great W. O. W. Rally Day at Paris On Next Thursday; Interest Is Fast Growing

Great preparations are being made for the W. O. W. uniform rank encampment here next week, and the program for Rally Day, Thursday, September 7, has been announced. This program is a very attractive one and the names of several prominent speakers appear thereon. One of the features of the day will be the parade headed by the fire department and city police force. Following is the program as announced:

COUNTY OFFICIALS TO TAKE OFFICE HERE ON MONDAY; TWO NEW ONES

Spaulding Goes In As Judge of
County Court and Jackson
As Trustee

WALLACE OLIVER TO BE NEW ASSISTANT COUNTY TRUSTEE

Young Man From Eighteenth
Chosen By Jackson—Other
Officials Go In

On Monday the recently elected county officials will appear before County Court Clerk W. L. Dale, make their bonds, prescribe to the oath and take their respective offices. It has long been the custom in Henry county to induct the new officials into office on the first Monday in September, rather than on the first day of the month, and the custom will be followed this year.

In the August election Sheriff T. M. Hagler and Tax Assessor J. Sam Culpepper were reelected to their respective offices, and D. T. Spaulding was chosen county judge with D. L. Jackson as county trustee.

Rev. Spaulding was formerly county register for two terms, but Mr. Jackson never held a county office. Both are well known throughout the county and were nominated in the county Democratic primary last fall.

Wallace Oliver, a well known young man of the Buchanan section, will be Mr. Jackson's assistant in the trustee's office, it is understood, succeeding Wade H. Whitlock, who has served under the present trustee, W. T. Young.

For several days Mr. Oliver has been in the office, getting in touch with the duties of the position. Mr. Young and Mr. Whitlock have taken much pleasure in explaining and assisting him in every way possible. Mr. Oliver has made many friends here and there is no doubt but that he will make an efficient assistant to Mr. Jackson.

Sheriff Hagler will probably retain all of his former deputies through his new term of office, which he enters Monday.

and friends—Dr. R. A. Fox, Paris.

Response—Sov. A. E. Sparks, of McKenzie.

Woodcraft, Its Allied Interest—Hon. A. G. Matthews, Head Consul Tennessee and State Manager Woodmen Circle, of Memphis.

Woodcraft, Its Beauties and blessings—Rev. John J. Man-nard, Paris.

Financial Standing and How Its Funds are Invested—Hon. Rainey T. Wells, Murray, Ky., Sovereign Auditor W. O. W. Tobacco, Its Culture and Marketing—Hon. F. G. Ewing, Cedar Hill, Tenn.
